## GRADUATION DINNER DANCE

Date: Friday, May 2nd, 1980  
Place: Richmond Flag Inn, Westminster Highway  
Cost: \$15.00 each  
Time: Cocktails 1845 hrs.  
Dinner 1930 hrs. sharp  
Dress: Semi-formal

We hope you can all join us for a fun-filled night. The dinner will be a full roast beef dinner with all the trimmings. Wine will be available at the bar. Please contact any of the Executive or your boating instructor for tickets. It would be very helpful to the hotel if they know the number of people coming, so please get your tickets at least four days in advance of the Dance. Thanks.

Some numbers for your convenience.

I'd sincerely like to express my thanks to Linda Odette, Vic Ramos and Virginia Walker for all their help throughout the year. None of us would have received Fairlead without them! Thanks again, Daphne Williams.

RETIRING COMMANDER'S MESSAGE

As my year as Fraser's Commander is coming to a close I would like to take this opportunity to thank all of the members of the executive, training staff and others who have contributed to, I believe, another successful year for Fraser Power Squadron.

I know that, in the future, Fraser will continue to grow and be successful. This year our Boating Class enrollment was the largest in several years and there was a good percentage who wrote the exam and passed. Membership Officer, Andy, tells me he has been receiving many New Member Applications since the results of the exams were published. I have now received the results of Seamanship Sail and Seamanship Power class exams. Congrats to all - 100% pass rate.

This year has been a very busy and happy one for me and I thank the Members for their confidence in me to elect me to this Office and for their help and co-operation which have made it a very gratifying experience. Through all of the time of arranging for people to help man boat show booths, training instructors, proctors, social gatherings, programs and all the other details, I have received the co-operation from everyone that has made the entire year a pleasure.

Again, thanks to everyone and I hope to see you at the Graduation Party and Change of Watch on May 2nd.
